Dear Farrukh,

CONGRATULATIONS! On behalf of the Board of Trustees, it is my pleasure to inform you of your acceptance to Widener University. You have been admitted to Business - Marketing.

In recognition of your academic accomplishments, I am pleased to inform you that you have been selected to receive a Widener University Presidential Scholarship in the amount of \$31,500 per year. This award is valued at \$126,000 over four years.

Further, because of your strong academic record, we are pleased to award you the Global Development Scholarship, valued at \$2,000 per year. This brings your total Widener scholarship amount to \$134,000 over four years.

Widener scholarships or awards that you receive are available for a maximum of eight full-time consecutive semesters, are applicable for tuition charges only, and are renewable provided you maintain good academic and disciplinary standing.

As you pursue your Bachelor's degree at Widener, you will find the kind of experiential learning that makes a subject come alive. You won't just study a subject, you will experience it through internships, co-ops, service learning, undergraduate research, and courses with real-world assignments.

- **In order to reserve your place for Fall 2021 (August) at Widener University, you must submit a non-refundable deposit of \$400 (U.S. dollars) or a financial guarantee (government sponsored students only) within two weeks of receipt of this letter.** You may pay this [enrollment deposit online](#).

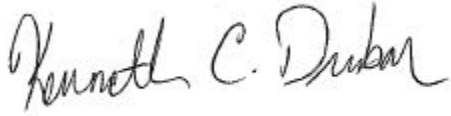

Upon receipt of your deposit or government's financial guarantee, Widener's International Student Services Office will coordinate the issuance of your I-20.

If you are currently enrolled in courses at another institution, you must provide an official final transcript at the end of the semester. If your cumulative grade point average drops below the required standard, the Office of Admissions will rescind your offer of admission.

Please visit the [international admitted student web page](#). We would be delighted to assist you with any efforts to further explore the opportunities awaiting you at Widener University.

I look forward to welcoming you as member of the Widener Pride this fall.

Sincerely,
